

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF TEXAS
FORT WORTH DIVISION

UNITED STATES OF AMERICA

v.

No. 4:23-CR-005-O

ALTON CARR (01)

PLEA AGREEMENT

Alton Carr, the defendant, Andrenette Sullivan, the defendant's attorney, and the United States of America (the government) agree as follows:

1. **Rights of the defendant:** The defendant understands that the defendant has the rights:
 - a. to plead not guilty;
 - b. to have a trial by jury;
 - c. to have the defendant's guilt proven beyond a reasonable doubt;
 - d. to confront and cross-examine witnesses and to call witnesses in the defendant's defense; and
 - e. against compelled self-incrimination.

2. **Waiver of rights and plea of guilty:** The defendant waives these rights and pleads guilty to the offense alleged in Count One of the indictment, charging a violation of 18 U.S.C. § 2113(a), that is, bank robbery. The defendant understands the nature and elements of the crime to which the defendant is pleading guilty, and agrees that the factual resume the defendant has signed is true and will be submitted as evidence.

3. **Sentence:** The maximum penalties the Court can impose include:
- a. imprisonment for a period not to exceed 20 years;
 - b. a fine not to exceed \$250,000, or twice any pecuniary gain to the defendant or loss to the victim(s);
 - c. a term of supervised release of not more than three (3) years, which may be mandatory under the law and will follow any term of imprisonment. If the defendant violates the conditions of supervised release, the defendant could be imprisoned for the entire term of supervised release;
 - d. a mandatory special assessment of \$100;
 - e. restitution to victims or to the community, which may be mandatory under the law, and which the defendant agrees may include restitution arising from all relevant conduct, and another bank robbery as well, not limited to that arising from the offense of conviction alone; and
 - f. costs of incarceration and supervision.

4. **Court's sentencing discretion and role of the Guidelines:** The defendant understands that the sentence in this case will be imposed by the Court after consideration of the United States Sentencing Guidelines. The guidelines are not binding on the Court, but are advisory only. The defendant has reviewed the guidelines with the defendant's attorney, but understands no one can predict with certainty the outcome of the Court's consideration of the guidelines in this case. The defendant will not be allowed to withdraw the defendant's plea if the defendant's sentence is higher than expected. The defendant fully understands that the actual sentence imposed (so long as it is within the statutory maximum) is solely in the discretion of the Court.

5. **Mandatory special assessment:** The defendant agrees to pay to the U.S. District Clerk the amount of \$100 in satisfaction of the mandatory special assessment in this case.

6. **Defendant's agreement:** The defendant shall give complete and truthful information and/or testimony concerning the defendant's participation in the offense of conviction. Upon demand, the defendant shall submit a personal financial statement under oath and submit to interviews by the government and the U.S. Probation Office regarding the defendant's capacity to satisfy any fines or restitution. The defendant expressly authorizes the United States Attorney's Office to immediately obtain a credit report on the defendant in order to evaluate the defendant's ability to satisfy any financial obligation imposed by the Court. The defendant fully understands that any financial obligation imposed by the Court, including a restitution order and/or the implementation of a fine, is due and payable immediately. In the event the Court imposes a schedule for payment of restitution, the defendant agrees that such a schedule represents a minimum payment obligation and does not preclude the U.S. Attorney's Office from pursuing any other means by which to satisfy the defendant's full and immediately enforceable financial obligation. The defendant understands that the defendant has a continuing obligation to pay in full as soon as possible any financial obligation imposed by the Court.

7. **Restitution.** Pursuant to 18 U.S.C. §§ 3663(a)(1), (3) and 3663A, the defendant agrees to pay restitution for losses resulting from the defendant's criminal conduct, including relevant conduct and other criminal conduct related or similar to the

defendant's offense of conviction. Specifically, in addition to the restitution owed as a result of his conviction on Count One, the defendant agrees to pay restitution owed as a result of his robbery at the Educational Employees Credit Union, 3451 Texas Sage Trail, Fort Worth, Texas, on December 14, 2022, as alleged in Count Two. The amount of restitution shall be determined by the Court. The defendant agrees to cooperate fully in the identification of assets to be applied toward restitution. The defendant's cooperation obligations include: (A) fully and truthfully completing the Department of Justice's Financial Statement of Debtor form, and any addendums to said form deemed necessary by the government, within ten days of the guilty plea hearing; (B) submitting to a financial deposition or interview (should the government deem it necessary) prior to sentencing regarding the subject matter of said form; (C) providing any documentation within the defendant's possession or control requested by the government regarding the defendant's financial condition; and (D) fully and truthfully answering all questions regarding the defendant's past and present financial condition in such interview(s).

8. **Defendant's testimony:** The defendant is not obligated by this agreement to testify in any criminal proceeding related to this case, nor is the defendant required to provide testimony concerning any other criminal offenses about which the defendant has knowledge. If the defendant chooses to do so, however, the defendant's testimony must be complete and truthful. Incomplete or dishonest testimony will constitute a breach of this agreement.

9. **Government's agreement:** The government will not bring any additional charges against the defendant based upon the conduct underlying and related to the

defendant's plea of guilty. The government will dismiss, after sentencing, any remaining charges in the pending indictment. This agreement is limited to the United States Attorney's Office for the Northern District of Texas and does not bind any other federal, state, or local prosecuting authorities, nor does it prohibit any civil or administrative proceeding against the defendant or any property.

10. **Violation of agreement:** The defendant understands that if the defendant violates any provision of this agreement, or if the defendant's guilty plea is vacated or withdrawn, the government will be free from any obligations of the agreement and free to prosecute the defendant for all offenses of which it has knowledge. In such event, the defendant waives any objections based upon delay in prosecution. If the plea is vacated or withdrawn for any reason other than a finding that it was involuntary, the defendant also waives objection to the use against the defendant of any information or statements the defendant has provided to the government, and any resulting leads.

11. **Voluntary plea:** This plea of guilty is freely and voluntarily made and is not the result of force or threats, or of promises apart from those set forth in this plea agreement. There have been no guarantees or promises from anyone as to what sentence the Court will impose.

12. **Waiver of right to appeal or otherwise challenge sentence:** The defendant waives the defendant's rights, conferred by 28 U.S.C. § 1291 and 18 U.S.C. § 3742, to appeal the conviction, sentence, fine and order of restitution or forfeiture in an amount to be determined by the district court. The defendant further waives the defendant's right to contest the conviction, sentence, fine and order of restitution or

forfeiture in any collateral proceeding, including proceedings under 28 U.S.C. § 2241 and 28 U.S.C. § 2255. The defendant, however, reserves the rights (a) to bring a direct appeal of (i) a sentence exceeding the statutory maximum punishment, or (ii) an arithmetic error at sentencing, (b) to challenge the voluntariness of the defendant's plea of guilty or this waiver, and (c) to bring a claim of ineffective assistance of counsel.

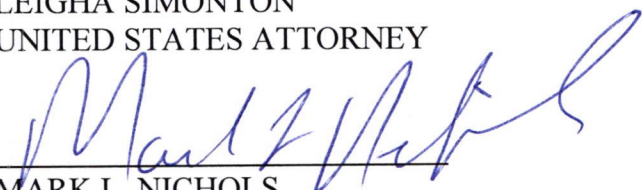

13. **Representation of counsel:** The defendant has thoroughly reviewed all legal and factual aspects of this case with the defendant's attorney and is fully satisfied with that attorney's legal representation. The defendant has received from the defendant's attorney explanations satisfactory to the defendant concerning each paragraph of this plea agreement, each of the defendant's rights affected by this agreement, and the alternatives available to the defendant other than entering into this agreement. Because the defendant concedes that the defendant is guilty, and after conferring with the defendant's attorney, the defendant has concluded that it is in the defendant's best interest to enter into this plea agreement and all its terms, rather than to proceed to trial in this case.

14. **Entirety of agreement:** This document is a complete statement of the parties' agreement and may not be modified unless the modification is in writing and signed by all parties. This agreement supersedes any and all other promises, representations, understandings, and agreements that are or were made between the parties at any time before the guilty plea is entered in court.

No promises or representations have been made by the United States except as set forth in writing in this plea agreement.

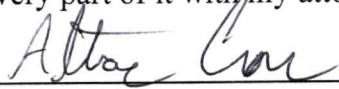

AGREED TO AND SIGNED this 13th day of February, 2023.
